New Beginnings for Sarah & Stephanie

We shared the news of welcoming Sarah Marcus as a partner in N2 Learning with you last September. Today, we are sharing more exciting news about Sarah. She continues to write her story of communicating, supporting, and coordinating the work of innovative, dynamic leaders in public education. **Sarah is going “home” to Waller ISD as director of community outreach.** She is a graduate of Waller High School and began her career in school communications in Waller ISD in 2006.

Sarah has been a part of the N2 Learning family from our early days in 2011. Her presence has been felt by our team and by every client partner over the past seven years. There is never a challenge too big or a need unmet. Many of you have reached out to Sarah for assistance with logistics in our institutes and projects. And, she always answers that call with a smile and a little magic. Principals' Institute participants found a friend before they left Session 1 and were greeted by name as they walked into Session 2. Just one example of the personalized approach and engagement Sarah brings to all that she does.

Please join us as we thank Sarah for her indelible contributions to the growth and success of N2. We extend our congratulations to Sarah and to Waller ISD in this next step for both.

With that announcement, we are also excited to share that **N2 Associate Stephanie Edgar is taking on an expanded role. In addition to serving as an expert facilitator and co-author of *Minding the Future: Revitalizing Learning Cultures Through Teacher Leadership* (pub. 9.11.18), Stephanie will accept the baton from Sarah and continue to provide the highest level of service to N2 partner districts and the Principals' Institute family.** We are confident that Stephanie's experience as a former director of instructional support combined with her engaging personality will make the transition as smooth as possible.

Beginning September 4, contact Stephanie at stephanie.edgar@n2learning.org or 832.875.8560 with any items that would have previously been addressed to Sarah.

There will be a transition period as Stephanie and Sarah work together to take care of the N2 Learning family. Those of you attending PI 8 Session 1 will see this handoff in action. Sarah will forever be part of the N2 family and you will occasionally see her working with us.

We celebrate these new beginnings for both Sarah and Stephanie and look forward to all that the future holds!

Let us know how we may serve you!
