

Teacher Leadership Institute

INSPIRING LEADERS TO TRANSFORM THE FUTURE

OVERVIEW

Harness the power of teacher collaboration and engagement in this boundary-breaking institute for classroom teachers. Throughout the 6 sessions, committed teachers are empowered to revitalize learning cultures while leaning N2 an inspired future. Centered on teacher voice and grounded in a foundation of collaboration, the Teacher Leadership Institute challenges teachers to move beyond accountability standards and toward innovative learning that ignites student engagement.

Furthermore, the Teacher Leadership Institute plays a pivotal role in supporting teacher retention by fostering a sense of professional fulfillment and empowerment. Through collaborative activities and discussions, participating teachers develop a strong support network and a deepened commitment to their profession, leading to increased job satisfaction and retention within their respective schools and districts.

WHO SHOULD ATTEND

Individual classroom teachers and/or teams of teachers willing to engage in a think-tank environment leading to innovation in the classroom.

SESSION TOPICS

- Visioning for an Inspired Future
- Becoming a Collaborative Innovator
- Researching and Designing Engaging Learning Experiences
